Consolidated Financial Statements of

CHIPPEWAS OF SAUGEEN FIRST NATION

Year ended March 31, 2017

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of Chippewas of Saugeen First Nation (the "First Nation") are the responsibility of management and have been approved by Chippewas of Saugeen First Nation and the undernoted Chief and Council of the First Nation.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains a system of internal accounting and administrative controls. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and are ultimately responsible for reviewing and approving the consolidated financial statements.

Chief and Council review the First Nation's consolidated financial statements and recommend their approval. Chief and Council meet to discuss and to review the annual report, the consolidated financial statements and the external auditors' report. Chief and Council takes this information into consideration when approving the consolidated financial statements for issuance to the First Nation Members. Chief and Council also consider the engagement of the external auditors.

The consolidated financial statements have been audited by KPMG LLP in accordance with Canadian generally accepted auditing standards on behalf of the First Nation.

INDEPENDENT AUDITORS' REPORT

To the Members of Chippewas of Saugeen First Nation

We have audited the accompanying consolidated financial statements of Chippewas of Saugeen First Nation which comprise the consolidated statement of financial position as at March 31, 2017, the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of Chippewas of Saugeen First Nation as at March 31, 2017 and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Consolidated Financial Statements

Year ended March 31, 2017

The Chippewas of Saugeen First Nation (the "First Nation"), located in Southampton Ontario, administers programs and provides services to First Nation members.

1. Significant accounting policies:

These consolidated financial statements of the First Nation are the representation of management and have been prepared in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these consolidated financial statements:

(a) Reporting entity:

The First Nation reporting entity includes the First Nation government and all related entities which are accountable for the administration of their financial affairs and resources to the First Nation and are either owned or controlled by the First Nation

These financial statements consolidate the assets, liabilities and results of operations for the following programs and entities:

Chippewas of Saugeen Revenue Fund

Chippewas of Saugeen Education Fund

Chippewas of Saugeen Capital Housing Program

Chippewas of Saugeen Social Services

Chippewas of Saugeen Land Management

Saugeen Gas Bar

Saugeen Ojibwas Nation programs administered by Saugeen First Nation

Saugeen Driftwood Corporation

The Red Road Café & Grill Corporation

A government partnership exists where the municipality has shared control over the board or entity. The municipality's pro-rata share of the assets, liabilities, revenues and expenses are reflected in the financial statements using the proportionate consolidation method. The municipality's proportionate interest of the following government partnerships are reflected in the consolidated financial statements:

Saugeen Ojibway Nation Finance Corporation – 50%

All inter-fund balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not been eliminated.

1. Significant accounting policies (continued):

(b) Investments:

Investments are recorded at cost plus accrued interest which approximates market value. Temporary declines in the market value of the long-term investments are not adjusted.

(c) Revenue recognition:

Revenues are reported on the accrual basis of accounting. Revenues are recognized as follows:

- (i) Revenue from land leases is recognized in accordance with the term of the lease agreements.
- (ii) Donation are recognized when collected
- (iii) Other revenue generated from the sale of goods and the provision of services is recognized when performance of the service has been completed or transfer of title of the goods has taken place.
- (iv) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligations that meets the definition of a liability. Transfers are recognized as deferred revenue when the transfer stipulations give rise to a liability. Transfer revenue is recognized on the consolidated statement of operation as the stipulation liabilities are settled.

(d) Inventory:

Inventory is stated at the lower of cost and net realizable value. Cost is determined on the first-in, first-out basis.

(e) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to Consolidated Financial Statements

Year ended March 31, 2017

1. Significant accounting policies (continued):

(f) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Land improvements	25 years
Vehicles	5 years
Machinery and equipment	5 years
Roads	
Gravel	25 years
Pavement and sidewalks	20 years
Street light	30 years
Culverts	40 years
Buildings	25 years
Water system	58 years
Cables and solar panels	50 years

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

(g) Use of estimates:

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates and assumptions include the carrying amount of tangible capital assets and valuation allowances for receivables. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

1. Significant accounting policies (continued):

(h) Prior year funding adjustments:

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various governments with audit adjustments repayable to the government.

Adjustments made under funding arrangements relating to prior years are charged to operations in the year during which the adjustments are made.

2. Cash and short-term investments:

The short-term investments consisting of cash and term deposits are recorded at cost and earn rates of return ranging from 1% to 2% per annum.

3. Accounts receivable:

15. Segmented information:

Chippewas of Saugeen First Nation is a diversified governmental institution that provides a wide range of services to its Members and local community such as educational and social assistance, water treatment, recreational and health programs, housing and community services.

Services are provided by functional segments and their activities are reported in these funds. Certain segments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Revenue

Revenue manages the administration functions and various programs that are offered for the betterment of the members of the community. The programs offered include community operations, medical and social services, capital, infrastructure, economic development and recreation. Revenue includes the revenues and expenses that relate to the operations of the First Nation itself and cannot be directly attributed to a specific segment. The Revenue Fund also includes the consolidated transactions of the Funds Held in Trust in Ottawa.

Education

Education provides tuition and educational support through the payment of tuition fees directly to local school boards and through financial assistance to students

Capital Housing

Capital housing provides mortgages, loans and grants to its members to allow for housing construction and renovations.

Social Services

Social services provides services directed towards the well-being of members in need of non-health related services including such activities as income support, home support and provision of child welfare services.

Land Management

Land management handles the administration of the leased lands including the billing and collections for services.

Saugeen Ojibway Nation

The Saugeen Ojibway Nation partners with commercial and community organizations to promote environmental stewardship during project development.
