## FOOD BANK CLIENTS

The new food bank program is now under way. Access to the food bank services are now on a weekly basis (every Wednesday and Thursday) and are by appointment only.

To book your appointment contact the coordinator at 519-372-5926. Only clients that have a scheduled appointment will be provided with food on the food bank days, so book as soon as possible to avoid disruption of service.

The new system requires photo I.D. of everyone in the household as well as proof of household income, please ensure you bring these to your first appointment.

**\*Please note that clients can only access the food bank once a month or once every four weeks\***
