

Saugeen First Nation

Administration

March 12, 2018

Dear Community Members,

I'm writing to wish our youth the best of luck at Little NHL this week in Mississauga.

Every year, First Nations youth representing communities from all across Ontario come together for a week of competition and fun. Approximately seventy of Saugeen's hockey players and their families attend the tournament, with players as young as 5 years old.

I want to congratulate the Saugeen Stars and Saugeen Ojibway Kings on their hard work this year. We are all very proud of your dedication and are honoured to have you representing Saugeen at the tournament.

I also want to say chi-miigwetch to the team coaches, who provide our youth with mentorship and support. As well, chi-miigwetch to the parents for supporting our children in participating in this event.

We are all grateful to you for investing in our community's future leaders!

Sincerely,

Cheree Urscheler
