

Invitation to Chief and Council, Program Managers, Front Line Workers, and Community Members.

- One afternoon session for anyone interested in CERT—to be advised of the basic foundation of starting up a team in the community and if you have interest in becoming a part of this team.
- Presented by Ken O’Neil- The “Way Out” Counselling Services
- This afternoon session will be providing information to the community on trauma and how to put together a team to assist when there is a crisis.
