Saugeen First Nation Seeks Summary Judgement in Sauble Beach Claim

First Nation Asks Court to Confirm that Sauble Beach Has Always Been Part of Their Reserve

Saugeen First Nation, Ontario: Saugeen First Nation today filed a summary judgement motion with Justice Belobaba of the Ontario Superior Court of Justice as part of a longstanding lawsuit to confirm Saugeen ownership of Sauble Beach. Both Saugeen First Nation and its treaty partner, the Government of Canada, recognize that Sauble Beach is part of Saugeen Indian Reserve #29, consistent with the terms of a treaty signed in 1854.

“This is a significant step towards righting a wrong that is older than Canada,” said Saugeen Chief Lester Anoquot. “It is a bittersweet moment for us. We are disappointed that it has come to this, but after almost 30 years of litigation, we are looking forward to finally having our day in court.”

Chief Anoquot explained, “out of all of our territory, this was the area our ancestors chose to reserve for their families – us – when the Crown wanted our land for settlers. The 1854 treaty makes clear that this is, and always has been, Saugeen land. But we have so-called ‘landowners’ who were not around in 1854 and are not interested in our treaty, who continue to make baseless claims about owning part of our beach. And, we have a mayor in South Bruce Peninsula who is not interested in being neighbourly and is clearly more concerned with politics than evidence. So, we welcome the opportunity to confront the Town and ‘landowners’ with the evidence and put the true facts before a judge, which is what we have done today.”

The federal government first began litigation on Saugeen First Nation’s behalf in 1990 to address false claims of ownership to parts of the reserve by settlers at the northern end of the Saugeen reserve. Saugeen First Nation filed its own claim in 1995. Both lawsuits state that Sauble Beach is and always has been part of the Saugeen Reserve.

“It is unfortunate in this day and age that some people still refuse to respect our treaty,” said Chief Anoquot. “It is even more disappointing when they refuse to work with us as neighbours. We have been sharing our land for centuries and we should all be interested in making our communities better, more prosperous, and more inviting. Unfortunately, the Town has not been

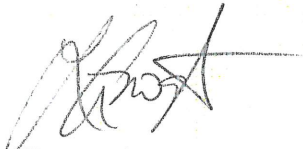

6493 Highway 21,
Southampton, Ontario NOH 2L0
519-797-2781 / Fax 519-797-2978

willing to work with us outside of court, so we are bringing this motion to end the false claims to our beach. We never surrendered this land, the Crown could not have sold it to anybody else, nobody could ever legally have purchased it – and our treaty partner agrees. We are simply seeking recognition of what belongs to use and has, in fact, always been ours.”

Traditional Saugeen territory spans over two million acres and includes the entire Saugeen (Bruce) Peninsula. The lands subject to litigation include a strip of beach west of Lakeview Blvd that extends between 1st St S, and 6th St N.

For any and all media inquiries please contact Chief Lester Anoquot at 519.797.2781, or by email – lester.anoquot@saugeen.org.

Sincerely,

MEMORANDUM TO: Transfer Payment Recipients

FROM: Jennifer Evans
Community Programs Manager, West Region

SUBJECT: National Human Trafficking Hotline

I am writing to advise you about Canada's first National Human Trafficking Hotline which was launched on May 29, 2019. The Canadian Centre to End Human Trafficking (CCTEHT) has received federal funding to implement and administer a National Human Trafficking Hotline (National Hotline). To eliminate duplication of services, all calls to the existing Provincial Human Trafficking Helpline will be answered by the new National Hotline beginning July 1.

The National Hotline will respond to all forms of human trafficking including both sex and labour trafficking and will provide assistance to, and on behalf of youth, adults, females, males, transgender individuals, gender non-conforming individuals, citizens, permanent residents, and foreign nationals. The National Hotline will act as a central response and referral mechanism, offering 24/7, multilingual access to a safe and confidential space to ask for help, connect to services, and report tips. The hotline will also contribute to the Centre's capacity to share knowledge, statistics, and resources with a wider public, including civil society, policy-makers, and law enforcement.

Please note that the National Hotline has been working with service providers in communities across Canada to develop a national referral directory of human trafficking service providers, enabling them to provide a robust, immediate and localized response to hotline callers.

Any service provider that would be interested in joining the Canadian Referral Directory can do so by completing the Centre's confidential application form which can be accessed at <http://www.canadiancentretoendhumantrafficking.ca/for-service-providers/>.

Ministry staff will be updating and sending out new provincial awareness materials (postcards, posters, etc.) providing the new National Hotline information so that people can access correct services and supports in Ontario. The Provincial Helpline will be decommissioned on September 1. We kindly ask that you communicate this information with your front-line staff, community, and indigenous partners as well as your clients. In addition, please replace all references to the provincial helpline with the new National Hotline number 1-833-900-1010 in any of your public materials.

If you have any questions, please email the CCTEHT at info@CCTEHT.ca.

FOOD BANK UPDATE

Greetings Saugeen,

I have officially returned from maternity leave and am eager to get back into the swing of things. There are many items I will be working towards upon my return, the main one being the Saugeen Food Hub Project. For those of you who aren't informed about this project please feel free to contact me to learn more. You can also visit our Facebook page where we have shared the highlights of the project. In the coming weeks we will be asking for your thoughts on the official name for the new building, if you have a chance give us your suggestions 😊 I'd also like to thank all who contributed and participated in the 2nd Annual Charity Golf Tournament, this year we raised \$19,590.00, all of which will go towards our Saugeen Food Hub Project.

Due to safety issues we have had to adjust our program and will be adjusting the food bank hours to bi-weekly hours every second and fourth week of the month. These dates will be on a walk-in basis and will be posted monthly on our Facebook page, in the newsletter and around the community. Perishables will be on these weeks as well, and as always will be on a first come first serve basis. For emergencies, please call and book an appointment with us.

We are also hoping to get some volunteers in on our food bank days, if you are available from 10:00am to 3:00pm, Tuesdays to Thursdays please contact us to sign up as a volunteer.

Hello Saugeen,

My name is Marcia Ritchie and I have been granted the position of Health and Safety Coordinator. In this role I will provide administrative support to the Fire Department, as well as provide direction for and oversee the continuous development of the SFN Emergency Plan and Joint Health & Safety Committee.

Joint health and safety committees are groups of worker and employer representatives working together to identify and solve health and safety problems at the work site. The primary purpose of the committee is to facilitate communication on health and safety issues.

Fire departments help keep us all safe from the devastation of fires. But like any organization, a fire department needs money. Its fire trucks, suits and training are expensive. Please be on the lookout for upcoming fundraisers supporting the SFN Fire Department.

I am excited to carry out my duties and with my actions and words will promote and uphold the integrity of the Saugeen Band and its programs. Please call or email if you have any questions or concerns.

Our dearest, Husband, Father and Poppa decided that his final journey was to begin, he left us with broken hearts, tears, grief, sorrow and sadness, but as each day arrives and departs his family is becoming stronger and it is the good, wonderful friends and family that ease our pain each day.

We wish to "thank" all who helped make Herman's leaving a little softer, to Family who stayed and comforted him and to many friends who visited. We, say special Thanks for prayers and songs provided in our Anishnabek language that Herman responded to by the Mitchell family.

To our dear friend Bob Love who fulfilled the eulogy that provided memories of love, happiness that we shared and to who all knew and loved our Herman. Doran Ritchie for the comforting song that Herman loved. Pastor Tony Chegahno for providing the service; your comfort made the day a littler easier.

To the wonderful ladies that provided the exceptional luncheon and to the Pall Bearers- Trevor Roote, Scott Roote, Mark Roote Dwayne Johnson, Scott Bell and Dave Rice.

The Chapman Hospice Care Centre in Owen Sound that showed so much caring, compassion and comfort to our Herman and our family, what an exceptional facility.

Cathy Banks, I do not know how I would have managed without you, you stepped in immediately at my first request and you ensured that our Herman's needs were met, you are our angel, I am forever grateful and Thank You, and to your wonderful staff they were amazing

Eagleson Funeral Home for your care, compassion and assistance to make this transition easier.

We have the most wonderful community and our Family is so appreciative of support, kindness and caring; we cannot Thank You enough.

Our lives will never be the same, I miss my partner, the love of my life but I and we will move on.

Thank you, Miigwetch, Miigwetch, Miigwetch Pat Roote, Derek Roote, Grandchildren and Great-Grandchildren.
