

# First Nation Food and Farming Workshop

*Hosted by: The Indian Agricultural Program of Ontario*

Saugeen First Nation  
Aaron Roote Memorial Youth Centre  
Wednesday, December 11th  
5:30 pm - 8:00 pm

All are welcome to attend this evening session of learning and sharing on sustainable farming and food production. A great source of information for those who are interested in producing food for family, friends or community. Dinner will be provided.

### Topics include:

#### **Intro to Organic Production**

What is Organic Farming? Take the opportunity to learn about organic farming and how you can produce your own organic vegetables in your own backyard

#### **Maple Syrup Production**

Get an in depth look at maple syrup production from a back yard hobby to a small or large scale business.

#### **Intro to Beef Production**

Come get an introduction on the ins and outs of beef farming. From animal selection, breeding timing, marketing, and animal health/diet requirements

#### **About IAPO**

Learn about our program, what we offer, and how we can help support you and your local community in agricultural production. IAPO has many ways to support you in turning your backyard hobby into a small business

Please let us know you're coming by Friday December 6th, 2019.
