

# We Want To Hear Your Food Stories!

The *Economic Development Department* has successfully secured feasibility funding to develop a **Market Garden Social Enterprise Business** for Saugeen First Nation #29. However, due to the COVID-19 crisis, our planned in-person sessions will now shift to a phased survey structure for our current community engagement efforts. The planned three phases are: Food History, Food System and Food Planning.

This survey is for helping Saugeen find and develop new ways to improve the food in our community. For this survey we are focusing on the history of food in our community. While we are asking for some personal information in this survey, everything you tell us will be *kept confidential* to our planning team. While Saugeen First Nation may publish some of your responses to these questions, we *will not* include your name, or the names of any other people or places you disclose. All the questions in this survey are voluntary: if you do not want to answer any of these questions, simply leave it blank.

## **How to participate:**

- Open your phone's camera app
- Without taking a photo, scan the QR code below
- A link to our survey will appear on your screen
- Click the link, this will take you directly to our survey questions to be completed.

## **Phase 1: SFN Food History**
