

Family Gingerbread house making contest

We have 20 gingerbread house kits available for families who would like to register. We will be doing a gingerbread house making contest. Photos of your finished gingerbread house can be sent either to Carrie at carrie.collins@saugeen.org or Audra at audra.root@saugeen.org where they will be uploaded to our Facebook page. The community will then vote on their favorite house and whoever gets the most votes wins a Christmas basket.

To register for a kit, please call ACYPS at 519-797-5000 or email Carrie or Audra. One kit per family.
