Ontario continues to maintain stronger enforcement, **travel restrictions**, public health measures to stop the spread of COVID-19 and save lives.

SFN continues to ask all our members to continue abiding by Ontario's stay-at-home order. SFN thanks all our members for abiding by this order, through these challenging times. We are also asking our SFN members to continue being mindful of the travel restrictions which are currently in place for all Ontarians.

Please review the following information, that was posted on our SFN website last week:
