Cottagers allowed to return.

Provided there are no changes to the Ontario government's plan, Saugeen First Nation (SFN) would like to welcome all cottagers back to our SFN territory as of June 2, 2021.

During the first step of Ontario's three-step reopening plan, SFN asks that all cottagers be mindful of limiting travel between their cottage and their primary place of residence – particularly those travelling from provincially identified COVID-19 hotspots. SFN continues to encourage and remind everyone to:

1. Physically distance from one another;
2. Clean and/or disinfect;
3. Wear your mask indoors.

Finally, SFN would like to thank all our cottagers ahead of time, for your patience and understanding regarding the delays to return to your cottages.

If you have any questions, please contact Kirk Roote at kirk.roote@saugeen.org and/or Robert Rice at robert.rice@saugeen.org.

Miigwetch (Thank you),
