

We create opportunity for people to thrive through innovative housing solutions.

Indigenous Youth Skills Training Program August 3rd to August 13th, 2021

Are you...

- Interested in learning about the basics of homebuilding?
- Looking to gain new skills for future employment?
- Or just looking for something interesting to do?

Habitat for Humanity Grey Bruce invites Indigenous youth aged 18 to 30 to participate in a new skills training program focused on building energy efficient and affordable homes. Through both online and hands on learning you will have the opportunity to gain valuable knowledge about how a house is built and related health and safety practices for construction.

Training & Support:

- √ Training over 4 weeks + opportunity for paid job placement
- √ Hands-on training at Habitat's Build site
- √ Tools & personal protective equipment
- √ Workshops: resume writing, job interview
- √ Paid participation – earn \$50 each day you attend
- √ And more!

Certifications:

- √ Health & Safety Awareness
- √ First-Aid / CPR
- √ WHMIS
- √ Chain-saw

You will gain valuable skills in the homebuilding construction sector with employment coaching and support. As well as your own Personal Protective gear, such as hard hat, safety boots and all tools will be provided.

Interested? Please contact us before July 26th.
