SAUGEEN FIRST NATION COVID UPDATE FOR JULY 21ST, 2021

DAILY COVID STATISTICS FOR SFN COMMUNITY MEMBERS:

As of 1 PM on July 21, 2021: **123** cases reported to date - **15** are active – **106** are recovered – **2** are in hospital – **2** deaths (1 determination pending) – **288** members fully vaccinated – **79** members partially vaccinated

As stated yesterday, **current community lockdown measures in place will remain as is**, until a formal update is provided following the next SFN Chief and Council meeting on Monday, July 26, 2021.

UPCOMING VACCINATION CLINIC AT THE JAMES MASON RECREATION CENTRE:

Next week on **Tuesday, July 27, 2021**, Public Health will be hosting a COVID **vaccination clinic** from **7 – 9 PM** at the **Recreation Centre**.

We currently have a **sacred fire** at the **Recreation Centre** that has been lit since last week – please feel free to come on down and offer tobacco if you would like.

OTHER INFORMATION:

We continue to ask all non-essential staff to continue working from home until notified otherwise by their supervisor.

Incentives are being put into place such that we are looking to have a **large grand prize** (exciting for our members who like the outdoors, camping, fishing, hunting – and no, it's not a gun or harpoon gun...LOL!), along **with smaller prizes**, made available to **all** double vaccinated SFN community members.

Also, we would like to clarify that all the COVID isolation centers are **open and available for all SFN community members** to use.

We will **continue to post the daily COVID statistics everyday** on our SFN Facebook and website.

Finally, please stay home, travel only unless it's necessary, **avoid group gatherings** outside your home, and strictly observe the following pandemic protocols:

- ✓ Wear a mask outside your home.
- ✓ Wash your hands frequently.
- ✓ Watch your distance and remain at least 2 meters from people you don't live with.

Miigwetch,

Saugeen First Nation Chief and Council
