

# BETTER DAY. BETTER PAY. BETTER WAY!

Drivers, we have a few questions for you.  
Because we know you would have better hours and wages with us!

Consider where you are now ... and where you could go.

## What time does your route start? end? How much do you get paid?

- If you start your circle check at 7:00 am and are back and parked at 8:45 am, we pay you **\$37.15**.
- If you start your afternoon route at 3:00 pm and are done by 4:15 pm, we pay you **\$37.15**.

## You work hard. We offer you maximum opportunity to earn the income and bonuses you deserve.

- Our *hourly rate* is **\$18.57** and the *minimum daily rate* you can make with us is **\$74.30**.

## But wait. There's more.

- On top of what we pay you, the Provincial Government will pay you an additional \$2,000 for the school year, provided you meet attendance qualifications.
- We are now offering a sign-on bonus for new G License **\$750** and B License **\$2,000**.
- We **also pay for** Safety training, vests, grippers, bringing your bus in for service, vacation pay (up to 8% of your earnings), park out hydro reimbursement, workshops, and dry run route familiarization.
- **Have kids?** You can bring them on the bus with you! Please speak to location manager regarding details.
