Saugeen First Nation Weekly Vaccine Update

VACCINATION STATISTICS AS OF TUESDAY, SEPT. 7TH

- 71% of the reserve's population has received their first dose
- 64% of the reserve's population has received their second dose

Please note: the purpose of the vaccine is to decrease the chance of severe illness and death from occurring. Vaccinated individuals can still contract COVID-19 and spread it to others. Please continue to wash your hands frequently, socially distance when possible, and wear a mask indoors/when social distancing isn't an option. Miigwetch.
