

ACYPS & Family Well-Being Program presents:

Painting Series

A 2-week painting session held at ACYPS.

Drinks & snacks will be provided.

There will be no art teacher, these sessions are meant for people to just enjoy being creative and see what they can come up with. Feel free to bring your own pictures to draw inspiration from. We can only accommodate 6 people per series. We are planning on having more sessions in the future though, so everyone who wants to can get a chance to participate.

To sign up please call Carrie @ 519-797-5000. Once this event fills up we will add people to the wait list for the next events.
