HONORING CEREMONY

Child & Family Inherent Jurisdiction

Program Induction

We have never relinquished our inherent rights as Anishinabe people to self-govern child welfare. It is our intent to reclaim jurisdiction within our territory. We have planned a ceremony which recognizes and honors that. We wish to ensure that we proceed with the support of the community and that our intentions are made through petition to Spirit; that all work be done in a good way for our Abinoojii. We cordially invite you to attend this ceremony.

When: Friday, February 4th, 2022

Time: 2PM

Location: Aaron Roote Memorial Youth Centre

~light refreshments available~
