

Route Modification - Delay

Thursday, May 19, 2022

Dear Parent/Guardian

First Student is been informed of a driver shortage that will affect specific routes servicing G.C. Huston beginning Tuesday May 24th until the remainder of this school year. We are determined to get students to and from School without disruption. That being said, Route 605 will be serviced after Route 602 has picked up in the morning and dropped off in the afternoon. This will have the route running around 35-40 minutes later than normal pickup/drop off. Thank you for your understanding and we apologize for this inconvenience. We are actively trying to find replacements so service can resume normal operations; if successful we will try to return service.

Matt Mellor
