

Landing Success Program

We are looking for a someone who would be interested to do food catering for the upcoming Landing Success program happening from July 5 to August 5.

We are estimating the cost would be \$20 per child (Breakfast and Lunch) plus included staff for the program.

This would be roughly \$400 per day.

**Those interested please forward an email to me at
winston.boudreaux@saugeen.org
And we can speak further about the details!**

Funding for this is provided by Bluewater District School Board
