Re: Program Service Interruption - Medical Transportation Drive and Emergency Health Fund Requests

Due to exigent circumstance, and in consultation with the Band Administrator, Medical Transportation and Emergency Health Fund Programs will observe a two-week interruption of service.

Effective Friday October 14th, 2022, requests for medical transportation will be paused and will resume Monday October 31, 2022. Existing medical transportation requests that have already been confirmed by the Medical Transportation Coordinator will be honored.

If you are a client of SOAHAC, we encourage you to contact Erin Toner – Transitional Case Manager at 519-374-3697, to discuss available transportation options.

If you are not a client of SOAHAC, we encourage you to contact Nadia McCormick – Indigenous Patient Navigator at 519-378-8101 and Nadia will assist to explore transportation options that may be available.

Effective Friday October 17th, 2022, requests for consideration of the Emergency Health Fund are to be directed to the attention of Joe Wesley – Administrative Assistant to the Band Administrator at 519-797-2781 ext.: 1104 or by email to: joe.wesley@saugeen.org.

We apologize for any inconvenience and appreciate your support.
