

## Potential CUPE withdrawal of services to begin

Friday November 4, 2022

**If an agreement cannot be reached between CUPE and the Government of Ontario, St. Mary's High School and St. Joseph's School will be closed.**

### **St. Joseph's students:**

For families who do not have childcare options - students can come to the James Mason Rec Centre – we are requesting the bus to drop students off there and pick them up at the end of the day.

If your child comes to the Rec Centre – they will be there for the day, they may not leave the premises unless they are picked up by a parent or designate (that the Education staff have been notified of).

We ask that students bring their school issued chromebooks and chargers to complete any online work. Students may also bring other items from home that they would like to help them pass the day.

### **St. Mary's students:**

The Youth Centre will be open at 10:00am for drop-ins.

We will continue to monitor the situation via the school board websites.
