

SAUGEEN FIRST NATION

MSHKAWJI GIIZIS (FREEZING MOON) – OCTOBER

The eleventh moon of Creation is the Freezing Moon, a time when the Star Nation is closest to us. As every creature being prepares for the coming fasting grounds, we are reminded to prepare ourselves for our spiritual path by learning the sacred teachings and songs that will sustain us. *(13 MOONS – Teacher's Guide 10 - Muskrat Magazine – Aug. 14, 2015)*

Bus Announcements:

We thank everyone for their patience while the driver shortage is addressed for our bus routes.

St. Joseph's and SDSS students:

A bus will begin running on Monday October 3, 2022. We have delivered notices to the schools with pick up and drop off times to be given to the students. Please check with your student when they get home.

If you do not have a notice, the schools have been provided a copy of the route - you can call your student's school to check their times tomorrow.

The route number is: Route 6

G.C. Huston students:

A second bus will begin running on Tuesday October 11. We will be sending home the new times for pick-up and drop off next week. Route 8 morning times will stay the same, but afternoon times will change.

The route numbers are: Route 5 for French Bay to G.C. Huston

Route 8 for Village to G.C. Huston

Owen Sound students:

The driver needs to finish their certification, we are expecting to be able to start this route towards the end of the week, October 14. Once we know that we can start the route we will notify families of their pick-up/drop-off times. If anything changes, we will let families know.

The route number will be: Route 7
