RIDE SMART CYCLING EDUCATION PROGRAM

Our focus is to positively engage, mentor and influence youth through cycling education

The Ride Smart trailer comes with bikes, helmets and program resources

Skills Learned — Straight line Riding, Controlled Braking, Shoulder Checks, Hand Signals, Shoulder Checks with Hand Signals, Slow Speed Slalom, Emergency Braking, High Speed Cornering and Rollers and Balance Obstacles

Games—Follow the Leader, Slowest Bicycle Race and Elimination

Our education program is designed to develop practical life-long skills through safe cycling. Using the Ontario physical health and education curriculum, our program is engaging and interactive, equipping students with new skills and cycling abilities.

Ride Smart skills create safer riders and safer future drivers.
