COMMUNITY NOTICE

Total Fire Ban

ALL outdoor/open-air fires are banned during this time, including fires for cooking and warmth.

This is due to the dry & hot weather creating extremely high-risk conditions that could result in uncontrollable burns and generate widespread forest fires.

This fire ban includes any outdoor cooking fires, brush fires, camping fires, fireworks, or any source of open flame.

Individuals found not complying with the fire ban can face possible charges under the Ontario Fire Code of up to \$50,000.00.
